CHRIS KENNEDY

CANDIDATE FOR ADVISORY NEIGHBORHOOD COMMISSIONER
SINGLE MEMBER DISTRICT 6A06 · CAPITOL HILL / ATLAS DISTRICT

I've lived on F Street NE since 2013, and I'm running this year because I love our neighborhood. With a new mayor arriving soon, we have a real opportunity to improve long-standing issues. From basic service delivery to stalled economic development on H Street, I'll be focused on what matters for residents.

WHAT I'LL WORK ON

1 FIX THE BASICS

Rats in the alleys, missed collections, streetlights out, 311 tickets closed with nothing done. I'll work with our council member's office to follow up on requests, support block petitions for rat abatement, and proactively engage city agencies.

2 H STREET, EAST OF 13TH

We are fortunate to soon host Nesso Plaza on the 1300 block of H Street, which will bring 15-20 businesses to the area. I'll work with the developers to address city delays, advocate for our neighborhood as the Gold Line bus line planning comes into focus, and prioritize development on the 1400 block of H, which has far too many vacancies.

3 SAFER STREETS

Traffic enforcement has fallen sharply. I'll press the First District MPD commander for enforcement figures on a set schedule and for more officers focused on traffic.
